“ *Jill and I grew up together a few houses apart and some of my fondest memories are of the fun times Jill and I had together. Both of us were on the Shamrock track team together and were always trying to determine who was the fastest - truth was - it was Jill, but she let me win now and then. Jill was a great friend to me and I am deeply saddened by her death. Her sons and family are in my thoughts and prayers.##imported-begin##Ruth Dicus Mensch##imported-end##*

“ I knew Jill in High School and she was a great friend! We always had fun together. We spent countless hours circling Stone Mountain with my T-tops off, singing and laughing the entire time. The Jill I knew would want us to celebrate her life as well as mourn our loss. I will truly miss her and I am so sorry for your loss, your family is in our prayers.##imported-begin##Debbie Jindrich Whelchel##imported-end##

“ I'll never forget the day Jill moved into our neighborhood, I liked her right away. She was like a beautiful breath of fresh air. We went to the Homecoming Dance in 1976, it was my first real date even though her dad drove us. I will be one of the many people who miss you Jill. I wish the best for her two boys.##imported-begin##Andrew Hughes##imported-end##
