“ I remember Jim from the Hazleton cogeneration plant in Pennsylvania, he was a very bright person who was working on his college degree. We worked together and he would help anyone in need, he was a very respectful and respected by all. He's going to be missed by all who knew him. We spoke quite a bit back then since we were both Navy veterans. Rest in peace Jim.

“ Jim was a great husband father, brother uncle and grand father. We often laughed at getting his sister to move ut of new jersey. I will miss him as his smile was infestious. Deepest sympathies to Beth lan and Peter. He will look down on us all with a smile of course. A real gentle soul with loving heart. Rest in peace Jim

Beth and family
So sorry for your loss. Ray and I had a lot of fun with you and Jim in California back when. You, Janet, and myself did lots of fun girl things. Thinking of you.
