“ *I will always remember our childhood days together with our parents and the times we went to the bowling place and we would go to the children's place. Yes, we had a lot of memories as kids. You all lived in Michigan and we lived in Ohio. Those were happy days. Then we grew up and went our own ways but you were always special and thought of you often! We love you cousin and always will keep you near our hearts! Robbie Ann and Harold Davis*
