“ Uncle Jimi,

I love you! You were very selfless and you were a really good husband, father, and grandfather. To me, you were my uncle, and you were good at that. At least you passed while you were sleeping so you did not feel the pain. You helped my Mimi move her boxes into her new house and fix the fridge so she didn't have to do it by herself. When I came sweeping the house you said, "You look beautiful and you are doing a great job!" You also loved me and helped Gram Gram and my Papa! You will forever live in my heart and that will never change. I will be able to visit you and Gram Gram at the same time, by both of your graves, and I am thankful for that. I will talk to you in Heaven, I love you! Have fun up in Heaven!

*Love,
Trinity*

“ Well, where do I start? It has taken days for me to just try to comprehend the reality of what has happened. Lets start with--I am your aunt Patty-just 6 years old when you were born. You entered this world the way you left--with a BANG! The first time I laid eyes on you was in a military hospital in El Paso (I think I remember i was sneaked in to view you through windows with tubes and things all over. You were born with Omphalocele (Interal organs on the outside of your body! See what I mean you came in with a bang. The wonderful doctors somehow managed to keep you alive. This was extreme in 1959!! You being the tough little shit that you are---- made it. They said you would have to have many surgeries over the years as you grew, but you--ha ha--not you. You never had to have another one. When i got the call on Feb.1, 2018 that your precious wife had found you lifeless??? That was IMPOSSIBLE!! For now all I can say is I am so very proud of the Man, husband, father, grandfather and uncle that you became. What are we all supposed to do without that crooked grin? I love you and until we meet up yonder.

I did not know Jimi personally, but I know he was well loved by his wife, Leisa, as she always spoke very highly and lovingly of her husband.

“ We'll never forget Jimi's big smile and warm heart - he always had a hug ready for anyone! He loved his family so much and it was always a special treat when he stopped in at work to visit the Brookwood ES café staff - his sense of humor always made the day brighter.

Eternal rest grant unto Jimi, O Lord, and let perpetual light shine upon him. May his soul through the mercy of God rest in peace. Amen.

“ I will never forget our days teaching Sunday School Class at Brookwood Baptist Church! You made working with 4th graders fun and a lot less stressful, and our family meals together were all very special times in my life that I will always remember. Heaven has gained a special angel and those of us still left here on earth, we have lost a friend, a father, a husband, a brother, a son, and a grandfather. See you later Jimi " Rest in peace my friend" Pat
