“ Dear Cathy and family,
I worked with Pete almost 40 years ago at Moore Group. He was a very dear friend to me. We had so many great times. If I had a dime for every time that Pete made me laugh I would be a rich man. When I think of it I am certainly richer for having know Pete. I will always remember that when I was in a car accident Pete insisted that I come to his house so that he and Cathy could take care of me.
I trust that someday Pete and I will see each other again.
Peace to you all,

“ To the Family of Pete Peterson,
I worked at Moore Group with Pete and have very fond memories of Pete, not only in the work place, but on annual fishing trips to Florida. He was a loyal worker and family man. His humor would lift everyone met. My sympathy to all at this time.
