“ Memories...There is not a guestbook big enough to hold all of my memories of Jay. He was a friend, a cousin, a teammate when we were kids, a tennis partner for many years as we got older, someone to laugh with, someone to argue with, someone to sit around the fire-pit with and get lost in deep talks about all aspects of life, someone that made it fun no matter where you were, and the list goes on and on...but of all of the things Jay was to me...he was mostly my friend that I could also call my cousin. I am really going to miss him...##imported-begin##Pat Clower##imported-end##
