“ We were so sorry to hear of Jimmy's passing and are keeping you and the family in our prayers. My mom was one of his cousins (Bill Revis' daughter Wilma Holland) and they lived close to us for a while. I remember seeing that pretty blue/green car (GTO, I think) go past our house with Jimmy and his beautiful girlfriend inside! Wishing you peaceful, precious memories.

“ We are so very sorry to hear of Jimmy's passing. We have so many memories of you and Jimmy when we were all younger. Growing up in Luxomni Church was a blessing. It kept family close. We loved Jimmy and appreciated his service to our country. You both built a beautiful family and we want you all to know you are dear to our hearts.
