“ I am sorry for your loss. May reading these scriptures be of encouragement to you. Gods son Jesus Christ spoke about the resurrection hope while he was here on earth. Psalms 37:10,11,29, and 72: 7,8, spoke about the conditions that we will be surrounded by here on earth when Jesus promise is fulfilled. I hope that these scriptures will give you and your family some comfort and assured hope. If you have need for further comfort, contact the local Kingdom hall of Jehovah's Witnesses in your area.##imported-begin##felicia##imported-end##

“ I am so glad that I had the time with all of you at the hospital. The friendship that each of us share will always be in my heart and the times that you have helped me out with the kids are what friends do for friends. Your loss will take time for it was always Jimmy and Evelyn, but your strong family ties with the kids will be your strength. I appreciate seeing what fine youth you and Jimmy raised. Kaye and I laughed and said that you both raised good kids cause you learned from our 6. If that is the case, it really paid off. They are the best. I sure wish I had that relationship with mine and my family. May God be looking down on you with blessings and my shoulder will be there for each of you in time of need. We need laughter and tears to get us through death and sad times. As the song goes, You've got a friend. Love to all.##imported-begin##Sharon Cassidy##imported-end##
