“ *I loved to hear Jimmy sing because his voice had a unique rich quality. One of my favorites goes like this in part . . . . I will rise and go to Jesus . . . . I can hear him singing it now.*

*May you be comforted by fond memories during this time.*

“ *Papa,  
I know you are in a much better place now and no longer suffering in pain. The world has truly lost an amazing man. I'll never forget the days of playing hide and seek when you got home from work, riding me in the ford tractor and me helping you shave. I love and will miss you more than you know. I know kenadie has you as a guardian angel to watch over her . I will see you again one day.  
Love always,  
Booger*
