“ IDuring the time that I was a child, I lived in the Dunean community. I have always remembered Jimmy, but those memories are not pleasant. I hope that at some point in his life, he found the Lord Jesus Christ May God's grace and blessings be with the family.##imported-begin##Eldon Brashier##imported-end##

“ Deborah,

I am sure sorry about Jimmy. It seems like just yesterday we were playing with him on the porch on Duke St. I know he had a tough time of it. I am glad he was with you at the end.

I tried to call you but could not get your number. Email me and I'll give you a call and we can catch up before we get too old to remember.
