“ *I'm still crying. I wish I knew. He was one of the kindest most wonderful person I have had the honor to know. What other accountant would say drive on over walk right in and we'll meet in the kitchen. Oh and Cindy how much he spoke of you!! And all the kids. He was filled with joy talking to me about them. He saw and prayed with me when my world was falling apart. He was my friend. He lived God and family. I am so very sad. I saw him as a dear friend first and a business associate last. My heart aches. Love love to the family that got to be with him*

“ *I am so sad to hear that Jimmy has passed away. He was my tax man. I also remember him writing "be good" .. He was such a nice man. He will be greatly missed. I am lighting a yellow candle because he was a light. Prayers for his family and friends.*

“ I am so saddened to hear of Jimmy's passing. He will certainly be missed by so many. I was just reading the messages that others have left and I am in full agreement that he was a good person and so easy to work with. He did do my taxes for about 16 years if I'm counting correctly. He always ended his emails saying be good, and it made me feel that he sure was being patient with me. I am praying for the family and hoping and praying for your peace and comfort. Thank you for sharing him with us.

“ Jimmy and I played football at SWD and Gardner Webb. During our freshmen year at college, Jimmy was like a brother to me. We were both home-sick teen age boys. Jimmy was always kind, gentle and he loved his family very much. Those who spoke at his funeral echoed those things about Jimmy. I am blessed to have known him.
