“ Jimmy,
I want to thank you for putting a smile on my face when I would turn the corner in the driveway to see You and your Harley. It was an honor to have meet someone who is as passionately about motorcycles as I am. You will always be riding in my heart.
Love,

“ Sheryl, we have known each other since the early 80's. It seems like only yesterday. Words can not express how sorry I am. I remember when you came bowling with Colin and me and we introduced you to Jimmy. We could see a wonderful relationship in the making. Jimmy loved you so very much.

In the 15 plus years I knew Jimmy, he always was a fun loving good friend. I remember the pool parties and Superbowl parties we had. Watching Falcon football games will never be the same again. I only wish I could hear Jimmy's laugh one more time. I will miss him so much.##imported-begin##Kelly Davison##imported-end##

“ We couldn't have designed a better friend so God must have done it. Nosey neighbors is what we called ourselves, always looking after each other. Dianne always felt protected when I wasn't home. We started our bucket list with Daytona Bikeweek, two old men on two bikes and 1100 miles. I promise you will always be with me until the list is complete and we're together again. We love you and will still be nosey for Cheryl.

I don't know what tomorrow holds but I know Who holds tomorrow.##imported-begin##Howard and Dianne Williams##imported-end##
