“ This site is meant to remember someone special. People do not need to act one way once someone dies. Huey was a very caring, funny and good hearted person who loved his kids. He will always be remembered for the good times that were had and the funny remarks he used to make. It's amazing how at a time like this the family should be coming together instead of splitting apart. We will always have our memories and that is all that matters.##imported-begin##A Friend##imported-end##

Please know your family is in our thoughts and prayers.

I think I am most remembered as one of the 'red headed twins' from Bennett Road in Grayson.
