“ I don't know where to begin. I've only known the West family for six years. I first meet Robert then Lee, Nikki and George. I was absolutely heart broken when I found out about Robert in 2005. When I first heard about Lee, I couldn't quit praying for him and his family. It has to take a lot for his family to take all of this, but I hope they know just how many people are here for them.

Lee, I don't know what to say. I feel so guilty that the last time I saw you was at Roberts funeral. It broke my heart to have to hear what had happened. It hurt even more to hear that you passed just a few days before my birthday. I love you and Robert both and of course Nikki and George too. I hope you are looking down on your family and always protecting them from harm. Hopefully I get to see that beautiful face of yours again. Rest in Peace Jimmy Lee West.

Forever in my heart

“ I've typed this message a hundred times, only to turn around & erase it each time.
I can't put what I'm feeling into words. I can't express the sympathy I have for Marie, Nikki, Natalie & ALL of the family. It hurts so bad & so deep. I just keep reminding myself that Lee & Robert are together again, and I bet they are laughing and fishing and catching fish bigger than we can imagine.
You will ALWAYS be on my mind & in my heart. RIP

“ We llove ya'll very much! Everything will get better soon! Just have
faith and God will see ya'll through! He knows what really happened
and he will punish the ones guilty for what they did. I remember
when me and lee had to wake up on the school buses just to get
breakfast from ingles when mom drove the bus with marie and lee
agravating me in school! He was such a great person to be around!
As his "aunt" he was like a son figure for me and a big brother for
Brittani. Everone always had high spirits! If ya'll need anything let us
know!###imported-begin###Brittani and Donna###imported-end##
