“ We have known Jo and Ray since high school days. Jo was always so sweet and friendly and was a good friend to me when I was a brand new transfer student at CGHS. I've seen her off and on through the years at Bethesda's Donkey basketball, and out and about. When someone remains in your heart even though you don't see them on a regular basis, that person is truly special. She had so many friends who loved her and will remember her. We are so sorry for your loss.

“ *I am so saddened by the news of Mrs. Jo passing. She was such a special lady with a quiet wisdom I admired. I enjoyed our conversations while we did her hair over the past several years. She loved her husband and family with all her heart, mind, and soul. May God's peace comfort you all in the coming days, months, and years ahead.*

“ *Jo was one of the most caring and kind people I have ever known. She always wanted to make sure that everyone around her was happy and had everything they needed. It was a true blessing to me to have had the honor and privilege to have worked side by side with Jo in the plumbing shop for nine years .She was a true friend and an AMAZING lady who will be missed by everyone who were fortunate enough to have been touched by her life. Our hearts goes out to the family and you are all in our thoughts and prayers.
