“ *Jo was a very special sister-in-law. She was a beautiful person who was very creative. She was a great seamstress and loved plants and flowers. She always had neat ideas about decorating. She was a great wife, mother, and grandmother with a super caring heart. She had a strong faith and always wanted to help others. We were blessed to have her in our family. We will miss her very much, but we will always have great memories of our times together. My love and prayers to Grady and all the family.*
