“ To all of "Papa's" family. We are so saddened to hear of Papa's death, but it is in dying that he has been born to eternal life which was his main goal of life. We do not have the words to express our feelings. But you know how much we love him and each of you. He surely had become our Papa as well and we will do all we can to help and support you Theresa and the rest of the family. We love you all and know that Papa touched so many lives over the years. He certainly left his handprint on our hearts forever.

Our condolences,

Ann, RAY and Joshua##imported-begin##Ann, Ray and Joshua Prosek##imported-end##
