“ *I want to send my deepest sympathy to your family. I remember your mother/wife as a beautiful person inside and out. We bonded when I was 16 years old and stayed the summer with her watching over her babies while she worked to build the family business.*

Love you guys,

“ *Uncle Ben, Cathy, and Christy*

Our thoughts and prayers are with all of you right now.

It is so very hard to lose a parent, but the peace comes in knowing that this long battle with her health has come to an end and she has taken her home in Heaven.

She will be missed so very much by each member of this family. I am grateful for the bank of memories I have from my childhood that include her. So many fun summer memories from the lake house to hold close until I see her again.##imported-begin##Andy & Heather Allen##imported-end##
