“ *Joanne was the first person I met outside of the dinner crew! I remember thinking how beautiful it was for her to be driving door to door dropping off Christmas goodies to those she loved. As I stood outside of The Rhodes Lawrenceville home I recall thinking wow they just make them pretty out here don't they! She was beautiful! She was thoughtful _smart _funny and just a joy to speak to! As time went on over the last half decade I can honestly say every time I knew she would be in the same room as me my heart would light up. She was just one of those women that make a day better just by being her! I pray that when she entered the heavens it was everything and more she ever dreamed of! My heart is with the family and I'm covering you all with love and support on these most fragile times down here_ May God bless you all with peace and well memories* 💕💕
