As your family go through this difficult time please know that the God of all comfort can give you the inner peace that no human can give. While going grief, Job asked God, “If a man should die can he live again?” Knowing God’s promise he answered himself, “you will call and the dead will answer . . .” Job 15 vs 14, 15

“*For just as the sufferings of Christ flow over into our lives, so also through Christ our comfort overflows. If we are distressed, it is for your comfort and salvation; if we are comforted, it is for your comfort, which produces in you patient endurance of the same sufferings we suffer. And our hope for you is firm, because we know that just as you share in our sufferings so also you share in our comfort.*”
