“ *I never met Joann until she was in the nursing home. Father Dan told me she was there because I go to visit Bill Troutner and so I thought I would go and meet her. I met her son and they were both very nice. She was so sweet and would always say "Thank you for coming to see me." The day before she left to be with our Lord, she didn't wake up so I just sat by her bedside and prayed for her. I wish I had met her sooner but I was blessed to be able to spend some time with her.##imported-begin##Alice Floyd##imported-end##*

“ Dear Jen & Wes,

The memories of 60+ years of friendship with JoAnn flood my heart. We shared so many things, some happy, some sad, but our care for each other was always right there. Be consoled knowing that she loved you both so very much and was always proud of you.

Love, Carol Sue##imported-begin##Carol Sue Ravenel##imported-end##
