“ *Not only is Joe part of my extended family, he also worked for my homebuilding company for a few years. Joe was a hard worker, always friendly with buyers and sub-contractors. A superintendent doesn't have the easiest job and he never complained once. He loved his daughters so much and never missed a chance to talk about them with you. I know your hearts are hurting girls and I am sending hugs and prayers your way. Y'all have a very special guardian angel now.*
