“ I was sorry to hear about the passing of Joe Pennington, Jr. it was a blessing to have him as a Real Estate Pre-License Instructor 14 years ago. He truly cared about his students and made us feel comfortable because he was passionate about being a teacher. He had a great personality, and inspired us to learn. I also enjoyed having his wife Jan for my Post License course and loved both of them.

My condolences and prayers go out to Jan and the Pennington family. May Joe rest in peace.

“ Mr. Pennington was an awesome teacher and such a kind man. He taught my pre license course at MLS Tucker nearly 10 years ago when I first began in real estate and even in my initial years I would call and email him with questions and he knew just what to say and do. With his help I passed the exam with flying colors on the very first attempt. There will never be another broker and teacher like Mr. Pennington. What an awesome man who spoke of his love and devotion to his family often. What integrity and kindness he shared with all of his students.
He will be missed but is assuredly resting with the angels.

“ Mr. Joe Pennington was a great individual. He was my Real Estate Instructor in 2006. I learned about real estate from Joe because he made the lessons interesting and exciting. You can tell he loved his work. He always spoke about "his bride" in each class, which spoke volumes about his relationship with his wife and family. I am praying for your family and Joe will truly be missed.

“ My name is Ken Webb. I received my real estate license in 2004-2005. I had the pleasure of having Mr. Pennington as one of my instructors I took. Mr. Joe was a funny man and he made every class interesting and fun. During normal conversations with other realtors I referred to Mr. Joe as one of the more knowledgeable and great teachers in real estate. I often told people who were seeking to get their license to go see Mr. Joe at the MLS. Thank you Mr. Joe for helping me get my realtor's license and being successful the past 10-11 years. Ken

“ The best teacher in the world. I remember my first day at MLS, my very first class, Joe was the instructor. He was so knowledgeable and funny. That was more the 13 years ago. I remember he talked about his bride. Which made me smile...

How much he loved his wife. I always looked for his name when I signed up for classes. Joe was the true definition of a professional, he will be missed.

Gods peace for you all.

“ Joe was my instructor 10 years ago when I was taken my salesperson exam I recall getting nervous one about the up coming exam and even though I was doing very good in the course he saw a few of us carrying on very worried. So he asked a simple question. What is the difference between a Realtor that passed the state test with a 75 and the realtor that passed the test with a 95 ? the whole room looked around at each other very puzzled with complete silence then he said "Nothing they are both Realtors" Now lets to work. What a sign of relief I believe we all felt. He was an amazing instructor and his knowledge and stories are powerful . My condolence to the family and Thank you for sharing him with us. He was a real treasure to know.

“ Joe was one of the best real estate instructors that I ever had. The classes were held so late in the evening and some of us would just barely drag ourselves to class, Joe made the class worth coming too. He had a lively spirit and that laugh and funny voice that he did just lifted everyone's spirits. He will surely be missed! We will continue to pray for the family. God Bless!

“ JOE WAS MY PRE LICENSE INSTRUCTOR 23 YEARS AGO. I NEVER EVER TOOK ANOTHER CLASS THAT HAD A BETTER INSTRUCTOR. HE WAS A LEGAND AT MLS. FOR YEARS AFTER I BEGAN TO PRACTICE I WOULD CALL JOE WITH QUESTIONS AS OPPOSED TO GOING TO MY OWN BROKER. I REMEMBER THE TALK WE HAD ABOUT THE LOSS OF HIS DAUGHTER. I NEVER FORGOT IT. He probably wouldn't remember me...but I will always remember him! He was a wonderful instructor and you could tell he loved the Real Estate business. “ I Went to Real Estate School 1996. Joe was my teacher, he taught things that the book could not. I never finished the class. I got my license last year, and the whole time in Real Estate class I kept saying "Joe would not have said that" "Joe would not advice that" "Joe always said this or that". His teachings will forever be apart of me. I am so grateful to have meet such a wonderful man. He will never be forgotten. “Joe was not only the "Guru" of Real Estate instruction he was a wonderful person and an all around "Great" man! I met Joe as many did during an instructional class. But as he did for many a student, he continued mentoring me even after the class was finished and I passed my state exam. That was many years ago and even though we had not talked much in the last several years, my heart was heavy when I saw this post. From the stories of dubious situations that people had found themselves in (and he cautioned us to steer clear of) to his wonderful anecdote's that he shared about the love of his life "Ms. Jan" he always gave you more of himself than he had to or was required.....but that was Joe.

I will miss him very much but I am so very much the "Best" realtor and even an even "Better" person for having known Joe. Rest in Peace.

I'm still selling and think of him, especially when I see all these new agents going in to get their license. I was wide eyed and hung on his every word and didn't have a clue what I was getting into. “ Joe was my teacher in my pre license class and I had second thoughts of getting my license because my two brothers told me that I would never make it in real estate because I was to honest. Well I told this to Joe and he said to me listen you better be honest in this business or you will be sued or in time every one will figure you out and know you are not honest and if they do not trust you they will not use you as their agent. Well I have now owned my own real estate company since 2006 thanks to Mr. Joe Pennington or I would have given it up a long time ago. “ I was a graduate of Georgia MLS in 2003, and had some very fond memories of Joe. I made the mistake of sitting in the front of the class and was the example used by Joe whenever he wanted or needed a "whipping boy"; however, it was all in jest and I enjoyed it. “ *I was shocked to hear this news. I was speaking with a friend of mine about GAMLS because he was considering taking classes. My friend asked about Metrobrokers and Barney Fletcher and I remembered my experience with Joe at GAMLS. Joe had a way of teaching while integrating stories about Jan that would have us laughing. So you had no choice but to pay attention. He always spoke about his love for his family so I knew this was a good man. I've taken other real estate courses and they never quite measured up to Joe's style of teaching, especially when he would make those funny voices added with that southern twang while he taught. Joe told jokes and his demeanor would have most think he could have actually been a comic on stage. He was a great instructor, actually one of the best I have ever come across. I actually passed my real estate exam the first time I took it and remember him telling me to get a particular book to prep right before the test. This was so helpful for me. Everything he taught me, I was able to use for my test. There will never be another Joe.*

Thank You Joe, Rest in peace.

I am one of his many pre-license students. His instruction included more than the textbook but real life scenario with emphasis on integrity. Great instructor, he was! Beverly Williams

Joe was my pre-license instructor in 1993, and I learned more in his classes than with any other instruction I've had since. He was a wealth of knowledge and had the ability to impart it so everyone understood what he was teaching. I remember him fondly and his passing is a loss to the real estate community. My sympathy to his family. He will be missed!
