“ To: Libby, Phil and the Family,

*We just wanted to express our deepest sympathies and heartfelt concerns at this most difficult time. Having met Joe on various occasions, we always welcomed our times with him and knew what a most wonderful person he was. Our prayers go out to you and yours. He will truly be missed on this earth, but as long as he is in our hearts he remains with us.*

*God Bless You All!*

“ I hear of Mr. Rockmore's passing, I grew up around the corner from him and will always remember his smile and good nature in all the years I knew him I never heard his use any off color language or say anything derogatory about anyone! Mr. Rockmore was a good hearted God fearing man who would always give the shirt off of his back to help those in need and I will miss him, Libby I am here for you if there is anything I can do for you. One memory I will always treasure is the lessons I learned from your father one day when he showed me his antique car collection because I learned the he knew the history of every car he owned! Plus he taught me the value of treating others with respect a lesson I hope I am able to pass to others! They do not make men like Joe Rockmore anymore and that is unfortunate because he was a great man!###imported-begin##George S. Ellington##imported-end##

“ Dearest Libby, Phil, Josie & Chan ; Our hearts and prayers are with you all during this difficult time. You all are like family, as was " Papa Joe ". During the time we spent with Joe on our visits, we grew to love him more & more. We were very privileged & honored to have the chance to get to share laughter, conversation and to learn more about a true " gentleman ". Alton has many wonderful memories reflecting back over their 77 year friendship, as do I in the 34 years I ve known him since Alton & i married. So as we celebrate the home going of a remarkable man, please find joy in your hearts instead of sadness, because you all will be reunited one day. Loving you, Jennifer & Alton Barnes##imported-begin##Mr. & Mrs. Alton Barnes##imported-end##
