“ You will be missed by many. We have so many different memories with you. Lee and Joey played football together in high school. He is very thankful for the friendship.

Joe was our first non family visitor to see us in the hospital after our Ashlee was born. That was almost 20 years ago!! You will be missed dearly. I am so sorry we didn't get to say good-bye.

*Our prayers go to the entire family.

“ *Thank you for your friendship to our family, Joe throughout the years our children had on WGHS swim team. My heart goes out to Dee Dee, and his children. If we can do anything please let us know. Joe was a great guy, and I have never met a more devoted father. I served with him on the WGHS swim team booster club that we had just said goodbye to just a few weeks ago. I'll never forget the tears he had in his eyes watching his baby girl at her senior banquet. My own son thought the world of him, as did we all. We will be surrounding you with prayer. Much love to you all. We have lost an amazing guy!*
