“ *Dear Steve and family. I wanted to express my condolences and deepest sympathies in the loss of your Dad, Joe. I never worked with your father but I worked with you during the eighties when you were the FAO on A-shift at #22. I was stationed at #16 and remember you when I swapped or when you filled-in at #16. I have heard of several stories involving your Dad when he was a Lieutenant. He was described by retired Chief Darby as a caring and effective fire officer.*

May the Good Lord extend His healing hands upon you and your family, especially your Mom. God Bless You All.

“ We all loved Uncle Joe, and when we were kids, we could always count on him for laugh at the big family gatherings. I will always remember him catching our noses and pulling coins out of our ears.
