“ When I think about growing up with Joey, we went camping with the Preacher’n’em every year. Joey and I were always the first ones up - 6:00 am. We loved having a long time to play. And he and I would sit around the campfire every night, moaning and groaning, because we were the ones most sunburnt, too. He loved picking on us growing up, but there was a tender heart underneath. And then he married a girl that became one of my best friends! Love you, Angela, and Joseph, Justin, Jenna and their families. Heaven gets sweeter all the time. ❤️
