“ I knew and worked with Joey for almost 20 years at mobile chemical, he and I were both supervisors there. The best thing I can think to say about Joey is that he was always Joey, always had a smile on his face and something witty to say. Never in the time I knew him do I remember him feeling down or sad. He was about 10 years younger than me so he was always the little kid when we were together. We did trips with the company to Florida fishing, I'm pretty sure he went with us I know James did. We just had a good time and I'm glad that he was a part of my life during that time period, my condolences to the family, I hope he didn't suffer, sounds like it was sudden. James, get in touch with me sometimes, I'm on Facebook. Thank you Joey 4 making us all laugh. I'm sure we will see each other soon in the life we will all see soon. Your friend Gary Pope.
