“ John was a rare gem! His friendly and funny personality drew people to him; and his caring and compassion made them friends. He was always lending a helping hand to those in need. He was a joy to work with and enjoyed pranking his co-workers. I will not forget his hugs and smile. My deepest sympathy is extended to Charles, Rosemary and their families; Jean; Jamie; and the host of friends and loved ones who were blessed to have him in their lives. John will forever remain in our hearts.
