“ *John was a wonderful bonus to our family when our daughter Jennifer married him. We always told him that when Jennifer was 6 months old, God said we have a problem, we need a special delivery for Jennifer's future. Such a good and giving helpful person. He was our iT guy for any problems on our computers and if we wanted to order anything, he knew what we wanted and how to get it. He will be greatly missed. He was one of those people that you say....how do we go on. We will meet again one day, for I know he is setting in heaven handling the Amazon's deliveries.*

“ *We met John many years ago. While we have not seen him recently, we have fond memories of John and Jennifer when we were all much younger. He was a person who was a pleasure to be with. We will be keeping you all in our thoughts.*
