“ John spent a lot of time during those middle school and teen years at our house . He was so fun loving ...full of mischief, but would always make me laugh. And oh how that boy could talk... I'm so sorry for your loss. He will be greatly remembered.

“ Prayers to all my family, I love you all. Me and John were about 3 weeks apart in age. We always spent several weeks a summer together usually sneaking onto lakes and fishing. Usually ended up getting chased off someone's property, I always will remember the great times we had together cuz! I love you and hope you are at peace now. You will always be in my heart brother.
