“ So sorry to hear of John's passing. He and David made great bosses for a lot of us kids whose first jobs were at the DQ. I have many fond memories working there and pray for the family. John will be missed by many and he touched far more lives that he probably realized.

“ So many of my perfect childhood memories include hanging with the Corbin men (Papa, John and Dave) at the Dairy Queen. I couldn't wait for summer or Christmas break to come and spend time with family in GA. John introduced me to a world of cool movies as a kid. He loved Sci Fi, politics and sports. I enjoyed talking all these topics with him. Will miss spending that special time with him very much!

“ John and I were just 14 months apart in age. I remember one CHRISTMAS when we lived on DIXIE STREET in Atlanta. We were 5 and 4 and hid behind a chair watching our parents bring in Santa Claus. How was this possible? Santa was supposed to be on the roof bringing presents! We ran back to bed and chose to believe we were mistaken about what mama and daddy were doing. John was a sweet and loving brother and his family will miss him so much. ❤️

“ *I met Johnny when I was 15. During the summer I would walk to the Lawrenceville City Pool and on my walk back home I would stop by Dairy Queen for and ice cream, and hang out and talk to Johnny and Sharon Gober. I was down there so much Mr. Corbin offered me a job. He said I may as well get paid for being down there so that was my first job. Johnny and David used to get onto myself and the other girls for hanging out the windows on the dairy side waving at cars passing by. Then he ran for something ( I don't remember if it was City or State representative) but I passed out fliers, buttons and anything to everybody I walked pass walking around the old courthouse square. I remember he was really disappointed when he lost. Johnny was always well spoken, patient and had respect for everyone and got respect from everyone. I saw him quite a few years later and he was the same Johnny I always knew and loved. I've thought about him over the years and didn't know where he had moved onto. I'm so very sorry to the family for your loss. Johnny was an awesome person to know and I have alot of memories of him. I pray the Lord gives you comfort and peace in this time of mourning. I know heaven just got another angel when Jesus called Johnny home. My prayers are with you all. If family has a celebration of his life at a later date, please inform me if friends are welcome at ( [crush1364@gmail.com](mailto:crush1364@gmail.com) ) Again I am so very sorry for your loss but find comfort in knowing her is with John and Betty and I'm sure he has that big smile on his face.*
