“ *Noy sure where to start or what to say...here goes...John and I clicked right away over our love of the NY Football Giants. And we went from there! Always looked forward to camping, partying, or just hanging out This man was one hell of a chef, especially working a smoker!! My love John, you fought the good fight, you were an example to me in mine on how to NEVER give up. Rest well my friend...*

“ John was much more than a friend to us, he was family to Suzi and me. We are blessed to have been friends with him, Diane, Michelle and Johnny for the last 25 years. There are far too many great memories of him to list, the campground, Luau's and vacations are just a small part of our memories of John. With Johns passing, there is a void in our lives that can never be filled. John was a fighter that never let the effects of his cancer through the years effect his outlook and joy of life. We will always be thinking of John and if you had the honor of knowing him, you know he is in your heart. Love Suzi and Dom

“ John wasn't just a great man, he was a great friend. My father would have pool nights at our house and I always loved calling for Hokke from the top of the stairs so I can see him and give him a big hug. He was my favorite guy to ever have a conversation with even at such a young age. My heart, as well as my mothers aches very heavy with the passing of him and we both send our deepest condolences to his family and friends. Heaven gained such a wonderful angel, say hi to my dad for me Hokke.
