"Yesterday my grandfather passed away. Losing the best grandpa in the world is still a shock, but losing the best role model in the world is even tougher. I looked up to him like he was perfect human being and I knew if I ever had a problem he could solve it. To see the strongest person I know blindsided by leukemia is heartbreaking, but knowing he is no longer in pain is somewhat comforting. I'll miss you Papa, thank you for being the best grandpa a boy could ever have."

- Brandon Hatland, Grandson
