“ I am so sorry to hear of John's passing. Please accept my sympathies for your loss.
John was a great help with IT issues. He was always kind and willing to do what it took to get the job done correctly. Some of my favorite time was spent watching him prep for our department events while listening to his stories.

“ I remember John well he worked in the IT section at Gwinnett County, he would usually be around installing or upgrading computers. Since we both lived in Lilburn at the time, we always talked about what was going on in the area and plans he had for his home. May he rest in peace. Deborah Reeves
