“ Terri, Ashley and Helen
Words cannot express how deeply saddened I am to hear of Johns passing. We were neighbors for such a very long time and have watched our families grow up and expand. It's funny how you just take time for granted . I will always think about John when he used to drive by in the big Red Truck and it always gave me comfort seeing him pass and seeing that old Truck pass by made me feel like the family was still up the road. It's funny how small things mean so much. He was always a good sport when Colton would knock on the door pestering Hayden to come out and play. Those are the moments that matter. My deepest thoughts and prayers go out to you all during this difficult time and He surely be missed.
With loving thoughts

“ Terri, Ashley and Helen,

Words can't express how sorry we are for your loss. Mark and I have so many memories of wonderful times spent with your family. Terri, you have been an amazing friend from the moment I met you and it's hard to believe we have known each other for over 30 years now. We had some great times coming over for dinner and playing Pictionary with you and John and It still makes me laugh that they could never figure out how we always beat them:). John will be missed but will remain in our hearts and minds always. Our thoughts and prayers are with you in this difficult time and we love you all. Please let us know if there is anything we can do for you. Love, Mark & Regina Lozynsky

He always reminded me of Tom Selleck...His beautiful eyes would disappear when he smiled...like he had done something naughty
