“ *I met John (dad) in 1985 while I was on active duty. Ready to get out. Never would I have thought that just a few months later my Navy career was only beginning and I was going to become a part of his family. His service to our country, cannot be overstated and he served with honor, dignity and courage. He achieved, through selfless dedication the rank of Master Chief petty officer and earned many accolades including the well deserved Combat Aircrew wings and is listed on the HAL 3 honor roll. But not only that, he would help anyone and do whatever in his power to help. It's an honor to be his son in law and one of the many Sailors he helped mold and shape. You will never be forgotten Dad. You are loved and missed by many. Rest Easy shipmate. Love Greg*

I knew John from the Naval Weapons Center China Lake California. He was my LPO. John was the kind of man who would go out of his way to help anyone. He helped mold me into the man I am today. You are missed John. RIP my friend
