“ I met John when he lived in Land O Lakes Fl. We dated for a while and did a lot of fun things. We went to see cirque du soleil and to St Augustine to the beach and to the forts. He told me he did not expect to live very long time. I knew he wanted to near his sister and family, When I first moved up here in N AL I saw he was living in GA and sent me a message but never heard back from him in 2005. I am sure he is glad to be with his wife in heaven. Thank You John for the fun times
