“ Jane, I want you to know how sad we are for you and your family!! These last few years have truly been hard for both of our families and I know how much John is going to be missed by so many! Believe me, as much as JR always talked about him, I felt like I knew him a lot better than the one time we met you both!! Please know you'll be in our hearts and prayers as you work through this! Hope to see you again some time and please take care! Much love to you! Kim and Dan Hale

“ John was a true and good friend for 48 years. We will miss him and cherish the many good memories doing business, having fun, and raising our families in a great community. May God Bless and rest your kind and gentle soul.

“ John was the epitome of a “nice guy”! More importantly he a great son , brother, husband and father. John, David and I spent many hours together discussing our favorite subject the “Georgia Bulldogs” because our businesses were under the same roof. Fun times! Godspeed “Dawg”! God bless Jane and your boys.

My thoughts and prayers are with the family of sweet John Williams. He was a good man, with quick wit, twinkle in his eye and a boyish grin. John loved his family and he will truly be missed.
