“ *Cliff and I attended high school together in Albany, GA and joined the Navy together under the Navy's buddy program. We reported to RTC San Diego on 4 October, 1966 and were assigned to company 578. After boot Cliff went off to sub school and I went off to the Naval Hospital in Orlando FL. I lost touch with him over the years and had no idea he passed until today. Rest In Peace Cliff. Miss you shipmate.*
