“ John, Maria, Tracey, Dylan and Andrew: We are so sorry to hear about the passing of your son, husband , father and friend to so many. I know it is a difficult time for all of you and I will hold you all up in prayer and keep you close in heart. Although we don't know the reason for this sudden loss we can be sure that God has a purpose. May you feel His presence and know that only He can give you the peace that passes all understanding. “ Tracey, we are so saddened by John's passing. I know that we only knew John from waving in the subdivision and the one block party, but I can only imagine from those brief meetings what kind of husband and father he was to you and the boys. You are all in our thoughts and prayers.##imported-begin##Tony, Kelly, and Ally Baughn##imported-end##

“ Our prayers are with the family. John was a true friend who touched everyone that he knew. He will be missed by us all.
Tracey and the boys should remember and take pride in all that John accomplished. Very few people can be said to have left the earth a better place. John truly did.
I find comfort knowing that John has gone home to be with our Father.##imported-begin##Jesse, Alicia and Spencer Jones##imported-end##

“ There are no words to express how downhearted I feel. John was an exemplary Father, Husband and Mentor, but most of all, he became to be a dear friend to our family. I will always remember his genuine smile and kind eyes. I will always remember how hard he would make us laugh on every occasion we were together. The love you two share is and will always be inspiring to me; and so my dear friend, I will always be here for you and the boys. I love you, Sandra K. My condolences are with you during this difficult time and I pray for your comfort as you grieve. I hope that the love of God embraces you during this journey. Find comfort in the Lord....

John 14:1-4

"Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."
