“ Johnny was a wonderful loving man who adored his family. I don't think I ever saw him miss a baseball game for his grandsons and therefore he was always there when we all played together. Our hearts break for your loss of having him here with you ever day but we also rejoice that he will be whole again and able to no longer suffer the pain he was in everyday. He was such a strong man and will be remembered by so many. He has left all of you a wonderful legacy to follow in his footsteps.
