“ Johnny was an amazing man. I meet him and his loving wife wile servicing his MINI coopers here at mall of Ga MINI. Johnny was more than a client. He was open to providing any types of life tips when it came to tactical training. He helped me with research when Was looking for my first Hutting Rifle. he loved talking car talk and really valued my opinion when it came to helping out with his needs on his MINI.

He was the most down to earth stand up guy I have met in a long time. I was very sad to get the text today about the service but I know Have someone watching over all of us because of the man he was. I will forever miss you my friend
