“ If I had to pick one of my favorite memories of "Uncle Johnny" I would have to simply say "impossible". I'm thankful for every one of the memories I have with him. But, the one that stands out in my mind the most is when he decided to turn his life over to the Lord. I remember as a little girl spending the night with Amy and him not going to church with us on Sunday and how sad it would make me. I didn't understand why he didn't want to go. Then I remember how he once he got saved how he wouldn't miss a service. He went to be fed and then turn around and pour his heart and love into every boy in CSB, every teen in youth group, and every man and woman he came in contact with. What an example of Christ!

To Amy - I love you with my complete heart. You will forever be my BFF no matter what.

To John - I love you, your not just a friend, your my brother. You're so much like your daddy. That is something to be proud of.

To Linda - Mama Linda, I love you. The way you have cared for Johnny over the last years has been amazing, yet not surprising. You've always cared and loved at 100%

To "Uncle Johnny" - I hope you know how much I love you and how special you are to me. I can't wait to sing with you again in Heaven one day.###imported-begin##Holly Edmondson###imported-end##

“ I was so sad when I heard Johnny passed away, then I thought how selfish I was. I know that Johnny is now walking the streets of gold. He was such an inspiration to me. I grew up seeing how a Godly husband and father he was. I enjoyed all of camping trips when we were younger and I will never forget them. Danny enjoyed talking cars with him every time they saw each other. He will be missed on earth, but we will see him again and the family now has one amazing guardian angel looking after them!##imported-begin##Kellie (Giles)Braswell##imported-end##
