“ I just wanted to say hey and to let you know that not a day goes by that I don't think about you Jack, and Robbie! I know that you guys are up there enjoying yourself. I just want you to watch over me this month! Besides, it is a very difficult month for me! I love and miss you dearly. Michael Jackson is up there now, so make sure that you three enjoy his compamy! Love you!

“ Johnny, what can I say that everyone else hasn't already. You and Tim got me through one of the most difficult times in my life. Without the two of you I couldn't have done it. You defended our friendship and my honor to so many people so many times. I remember a time when we would pass each other on the street and you would call me up on the radio and yell at me for not being at home and then Wednesday when I passed you we only waved. I am so glad you found happiness and true love for once in your life and I know you were very happy, I'm sorry I didn't get to meet your wonderful wife, the person that put that smile on your face. I think my funniest memory of you is you washing your tennis shoes every Sunday with the toothbrush. I love you and I miss you and you will always be like a big brother to me. I know Tim is missing you just as much, we had some great times together.  
Love you and miss you Amanda###imported-begin###Amanda (Johnson) Lee###imported-end##

“ Sweetheart, after doing this last week for Robbie, I never thought that I would be doing it again! Especially this soon! I miss you so much. I know that I cannot have you physically, but I do hold you in my heart! This is going to be very hard to get over this situation and to move on. I know that is what you would have wanted, but I just can't. There will not be another one like you! I have never felt so loved and important until I met you! I like to think that it was your time to go so you can be a guardian angel for someone, but feel free to pop in from time to time to say 'hello' to me. Take care and I love and miss you! Your loving and devoted wife,

“ I Love You Bubba And you will be greatly missed. I am truly sorry I am not in the states to give your family support. This all came as a great big shocker we were just sending Robbie home not to long ago.....and now you are resting with him. Your smile and laughter we will cherish forever. I know for sure we are up against something big because we have alot of strong angels up there now. Rest in Peace and know you will always be loved!###imported-begin###Starr Lillie Martinez-Mize###imported-end##
