“ *Sue ellen -*

I'm so sorry to hear the news. I have so many memories of our "hockey days" as well as get togethers at your home, as well as the Worley's and everywhere in between. My thoughts and prayers are with you and your family. Please say hello to Bots for me.##imported-begin##Kim Cary - Landolfi##imported-end##

“ Sue, Bots and Family:

I'm sorry to hear of your loss...what a great man and I remember the youth hockey days with John leading the crowd in cheering for all of us. He'd start the "Pass and Score!" chant and drive the other team nuts with that monster PA system/industrial horn that played about 100 different sound effects (anyone remember the "Dukes of Hazard" track he played so often?). He'll be missed.

“ Susan, Bots and family:

Know that we are holding you in prayer and are making plans to see you on Saturday.

Even though we know John is no longer suffering it still hurts to know he is not with us.

May you find peace and comfort in the promise of God, through Christ's resurrection and know that we will be reunited with John.

We love you,

“ *Sue Ellen & family, You are in my thoughts and prayers during this sad time. I have such fun memories of John from high school, always with a big smile. I also have, and cherish, his very special and secret Michigan Sauce recipee, that he shared with us following a past class reunion. My family has enjoyed it many times.##imported-begin##Susan (Zuzga) Scott##imported-end##*

My thoughts and prayers go out to you and to your family. There is a true sadness felt with the loss of John. I know I feel touched by his passing because of the telephone conversation I had with John on Friday, July 6th. He sounded so good and was so positive about getting well.
If there is anything I can do for you, please let me know. God Bless,
