“ *My Deepest Sympathy to your Family. I work under Mr Hanks at Kraft in the Maint. Dept. He was one of the finest Men I have ever known. Every one respected him as a boss. I can still see him walking down the hallway looking over his glasses. I work with some of the Mechanics from Kraft and his name is always mentioned how well we like working for him. You are truly Blessed to have had him this long. My prayer is that God will hold all of you in his loving arms during this difficult time and comfort each of you.
