“ So saddened to hear of John's passing. I always remember his smile and laugh as he sat at the table alongside Carol at Summit Chase Country Club. I know there is a tee time already set up in heaven, as Bill already set it up. I can hear them now. Prayers are with you at this difficult time and know you Carol and Kyler are thought of and prayed for as you hold a special place in my heart. “ My Dad never told me he was sick, and forbade Carol from telling me, which I know was hard on her. That was just him ..strong willed and a leader to the end. He gave me so much in life and I will never forget that or him. Now we are going to remember him tomorrow...August 10...my birthday. I will never see it the same again. Thank you Carol for looking after him.##imported-begin##John W. Sapp III##imported-end##
