“ We're saddened to learn of Bill's death and wish to extended our belated sympathy to his family. I'm a cousin of Bill's father and grew up in his home territory in Jackson/Mason county. Have many fond memories of those early years. I also followed Bill's dad at Marshall University in the late 1950's. I enjoyed a very nice visit with Bill at the Click reunion in Jackson County last October. All will miss his pleasant demeanor and his smile.

“ I am so sorry for your loss. From reading the entries, he will be truly missed. Just think if it wasn't for Adam and Eve's disobedience, we wouldl not be suffering from sickness and death. Is there any hope? The Bible teaches that most people who have died will be resurrected. Jesus promised that those in the memorial tombs will...come out." (John 5:28,29) In harmony with God's original purpose, those resurrected humans will have the opportunity to live on a paradise earth. (Luke 23:43) For further information, please contact the Local Kingdom Hall of Jehovah's Witnesses.###imported-begin###FH###imported-end##

“ Nancy and family - I can't remember when I didn't know you and "Billy." I practically lived at your house and even ran away to there once. I know how much you'll miss him. He and Debbie are settled in the mansion the Lord prepared for them, totally healed and free of pain. I hope that promise brings you comfort, and that the Lord will embrace you in His loving arms and give you peace.##imported-begin##Rita Hogsett Russell##imported-end##

“ I first met Bill Click when his dad brought him to Watson Elementary School back in about 1960 at one of our fall festivals. His dad, John Senior, was my 6th grade teacher and principal of the school. Like his father, Bill was a great fraternity brother who I was privileged to know and see at many of our ZBT Reunions, particularly last October. We sat together for our evening dinner and reminisced about old times. Little did I know... Dear family and friends, our hearts are filled with sorrow for the passing of Bill Click. We will all miss him. May he now rest in eternal peace with his wife and parents who have gone on before him. We loved you Bill! Now go with God to eternal Glory.

In Deep Sympathy,

“ Most of the fun I had growing up was because of you. I remember laughing around the dinner table frequently. Playing like we were galloping around our Grandfather's farm and so many other memories. I really hate to give you up so soon. I Love You.

“ I am a fraternity brother of Bill's and I simply wish to say that Bill was the epitome of being a really good guy and had the best personality of us all. He was always smiling and laughing at our lousy attempts at humor...We are very sorry that he is not here to smile at the next frat reunion, but he will be remembered very fondly.##imported-begin##jack kessick##imported-end##

“ I kenw Bill at HEHS. He was one of my favorite classmates and I'm so saddened by his loss. He reconnected with me and many others from the class of 1967 on Facebook a couple of months ago. Hopefully, he knew how fondly he was remembered by his classmates and how much we cared. My thoughts and prayers go out to all of you.##imported-begin##Nancy Hayflich Rees##imported-end##
