“ *It takes special people to raise a child with special needs. God chose you both for a reason. Jonathan was blessed to have you as parents. We cannot imagine the pain of losing a child. We are however comforted in knowing he's in heaven looking down on the family who loved him so much.*

*God bless you,

“ I am so sorry for your loss. The loss of a loved one is so heartbreaking. Not only do we desire to live on and on, we also have this desire for our loved ones. We also have a strong desire to see them again. What does the Bible teach? Most people who have died will be resurrected. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. (luke 23:43) This promised future includes perfect health and everlasting life for obedient humans. The Bible say: "The righteous themselves will possess the earth, and they will reside forever upon it." Psalms 37:29. See also Job14:14,15: Luke 7:11-1; and Acts 24:15. I hope that this entry will give you and your family some comfort and assured hope.
